MODEL POLICIES FOR HEALTH CARE FACILITIES

These policies aim to promote health and safety for everyone in Nevada.

Maintaining public health requires that patients feel safe at health care facilities. If patients do not feel safe in a medical facility, they may not seek (or at least delay) the care they need, unnecessarily putting lives at risk. These model policies promote an environment where every patient feels safe and health care providers can focus on patient care rather than collaborating on civil immigration enforcement. Adoption of these policies will ensure that state and local tax dollars intended for Nevada health care facilities to provide care is not misappropriated to subsidize federal civil immigration enforcement.

Health care facilities have unique legal obligations to keep patient information private. Health care facilities cannot comply with those obligations if they do not know how to properly respond to immigration agents' inquiries. These policies help health care facilities and their employees understand and navigate those inquiries.

If these policies are adopted, health care facilities and their staff:

- Will not collect information about citizenship or immigration status or the national origin of patients and their families, except as required by law.
- Will not disclose any information about patients, including citizenship and immigration status, except when required or authorized to do so by law.
- Will notify administrators of any immigration enforcement agents present at the health care facility, insist that agents produce valid legal documents, like judicial warrants, to justify their information or access requests, and deny consent to enter nonpublic restricted areas of the healthcare facility without a valid judicial warrant.
- Will obtain consent from a minor patient's parent(s) or guardian(s) under most circumstances before allowing a minor patient to be interviewed or searched by an agent seeking to enforce federal civil immigration laws, unless the agent presents a valid judicial warrant.

MODEL POLICIES FOR HEALTH CARE FACILITIES

I. PURPOSE

1. *Legal compliance.* State and federal law require health care facilities to keep patient information confidential. These policies help facilities comply with their legal obligations by ensuring that they do not turn over protected information without appropriate authorization.
2. *Protecting health care for Nevadans.* Lives could be lost if patients fear seeking health care. Health care providers are not law enforcement officers. These policies help ensure that everyone feels safe seeking vital care, and that health care providers can focus on their patients.
3. These policies do not confer any protected entitlement, rights, or liberty interest on any individual and they cannot be construed to create any cause of action under federal or state law.

II. PROTOCOL DEVELOPMENT AND TRAINING

1. Sierra Basin Post Acute will designate The facility administrator to handle immigration enforcement activities, ensuring that Sierra Basin Post Acute personnel and volunteers are appropriately addressing immigration enforcement inquiries and requests, disseminating information to patients, and complying with internal procedures.
2. The facility administrator will maintain in writing Sierra Basin Post Acute's policies and procedures for gathering and handling personally identifiable information and citizenship or immigration status information.
3. Sierra Basin Post Acute's policies and procedures must be protective of patient information, requiring that Sierra Basin Post Acute personnel and volunteers only disclose patient information when required or authorized to do so by law.
4. Sierra Basin Post Acute and The facility administrator will consult with legal counsel to determine when and to what extent Sierra Basin Post Acute is required to comply with requests by federal immigration agents.
5. Sierra Basin Post Acute will establish written protocols for use by Sierra Basin Post Acute personnel and volunteers likely to receive in-person, written, telephonic, or electronic requests from federal immigration agents related to immigration enforcement activities.

⁹ For purposes of these model policies, the designated health care “administrator” does not have the same meaning as the definition of “administrator” found in NAC 449.0022. Rather, the term is used to mean a person with high level management responsibility for the health care facility.

6. Sierra Basin Post Acute will annually train all personnel and volunteers likely to receive requests from federal immigration agents or have in-person contact with agents on the policies' requirements and will provide a copy of the policies to all Sierra Basin Post Acute personnel and volunteers.
7. Sierra Basin Post Acute will annually train relevant personnel and volunteers regarding the different types of warrants, subpoenas, and court orders that may be presented by federal immigration agents to effect an arrest or to obtain records. (Appendices A-H.) This training will include the following:
 - a. The ability to identify and differentiate between administrative warrants issued by a federal immigration agent and judicial warrants signed by a U.S. District Court Judge or Magistrate Judge, state judicial officer, or local judicial officer.
 - b. The ability to and differentiate between administrative subpoenas and judicial subpoenas.
 - c. The procedure for responding to any warrant, subpoena, or court order issued in connection with immigration enforcement activities.
8. Sierra Basin Post Acute personnel and volunteers will be trained that federal or state law or regulations set a time frame for compliance with administrative subpoenas and judicial subpoenas (immediate compliance is *not* required) and they must submit all administrative subpoenas and judicial subpoenas for review by The facility administrator and a decision as to whether Sierra Basin Post Acute will comply with or challenge the subpoena.

III. COLLECTION AND RETENTION OF INFORMATION

1. Sierra Basin Post Acute will limit collection of information about citizenship or immigration status and national origin information to that which the facility is required by law to collect.
2. Sierra Basin Post Acute will ensure that forms do not solicit a person's citizenship or immigration status where it is not relevant, unless such information collection is required by law.
 - a. If Sierra Basin Post Acute must collect such information for a patient, Sierra Basin Post Acute will not include or store that information in the patient's medical and billing records.
 - b. Sierra Basin Post Acute will collect such information when needed only for the person seeking care, not their family members.

IV. RESPONDING TO REQUESTS FOR PHYSICAL ACCESS TO PERSONS OR NONPUBLIC RESTRICTED LOCATIONS

1. The Sierra Basin Post Acute will identify nonpublic restricted locations within the Sierra Basin Post Acute. Sierra Basin Post Acute will train all personnel and volunteers regarding who is authorized to access nonpublic restricted locations.
2. As soon as possible, Sierra Basin Post Acute personnel or volunteers will notify The facility administrator of any request by federal immigration agents for physical access to (i) nonpublic restricted locations in Sierra Basin Post Acute, or (ii) any person for the purposes of allowing the agent to interview the person, serve the person with administrative process, or execute an arrest.
3. In addition to notifying The facility administrator and any on-site police or security, Sierra Basin Post Acute personnel and volunteers will take the following steps in response to any request for access by a federal immigration agent:
 - a. Advise the federal immigration agent that before proceeding with the agent's request, Sierra Basin Post Acute personnel or volunteers must consult with and receive direction from The facility administrator;
 - b. Ask to see, and make a copy of or note, the federal immigration agent's credentials (including name, badge number, and photo identification). Also ask for and note the phone number of the agent's supervisor;
 - c. Ask the federal immigration agent to explain the purpose of the agent's visit and document the response;
 - d. Ask the federal immigration agent to produce any and all documentation that authorizes the agent to obtain access to Sierra Basin Post Acute and make copies of all documentation provided;
 - e. Verbally inform the federal immigration agent that Sierra Basin Post Acute does not consent to entry of nonpublic restricted locations within Sierra Basin Post Acute;
 - f. If the federal immigration agent demands immediate access to nonpublic restricted locations within Sierra Basin Post Acute, Sierra Basin Post Acute personnel or volunteers must comply and immediately contact [designated administrator; and
 - g. Without expressing consent, Sierra Basin Post Acute personnel or volunteers will respond as follows if presented with the following documentation:
 - i. Judicial warrants and court orders (Appendices D and E). Sierra Basin Post Acute personnel must comply with federal

- immigration agents presenting valid judicial warrants or court orders. (Appendices D and E.) Prompt compliance with a judicial warrant or court order is usually required by law. However, when feasible, Sierra Basin Post Acute personnel or volunteers should consult with and receive direction from The facility administrator before providing the federal immigration agent access to the person or materials specified in the judicial warrant or court order. Provide a copy of the judicial warrant or court order to The facility administrator as soon as possible.
- ii. Administrative and judicial and subpoenas (Appendices F and G): Federal or state law or regulations set a time frame for compliance with administrative and judicial subpoenas (immediate compliance is *not* required). Sierra Basin Post Acute personnel or volunteers will inform the federal immigration agent they cannot immediately consent or respond to the request and must submit all subpoenas for review by The facility administrator and a decision as to whether Sierra Basin Post Acute will comply with or challenge the subpoena. Provide a copy of the subpoena to The facility administrator as soon as possible.
- iii. Administrative warrant (Appendices A and B): Administrative warrants are not directed to Sierra Basin Post Acute. Federal or state law or regulations set a time frame for compliance with administrative warrants (immediate compliance is *not* required). Sierra Basin Post Acute personnel or volunteers are under no obligation to deliver or facilitate service of an administrative warrant to the person named in the document. Sierra Basin Post Acute personnel or volunteers will inform the federal immigration agent that before proceeding with the agent's request, they must first consult with and receive direction from The facility administrator. Provide a copy of the administrative warrant to The facility administrator as soon as possible.
- iv. Immigration detainer (Appendix C) or notice to appear (Appendix H): These documents are a form of an administrative warrant that are not directed to Sierra Basin Post Acute. Federal or state law or regulations set a time frame for compliance with an immigration detainer or notice to appear (immediate compliance is *not* required). Sierra Basin Post Acute personnel or volunteers are under no obligation to deliver or facilitate service of an immigration detainer or notice to appear to the person named in the document. Sierra Basin Post Acute personnel or

volunteers will inform the federal immigration agent that before proceeding with the agent's request, they must first consult with and receive direction from The facility administrator. Provide a copy of the immigration detainer or notice to appear to The facility administrator as soon as possible.

4. *Exigent Circumstances.* If the federal immigration agent demands that Sierra Basin Post Acute personnel or volunteer provide immediate access to Sierra Basin Post Acute facilities based on exigent circumstances, Sierra Basin Post Acute personnel and volunteers must comply and immediately contact The facility administrator.
 - a. Sierra Basin Post Acute personnel or volunteers must not attempt to physically interfere with the federal immigration agent, even if the agent appears to be exceeding the authorization given under a warrant or other legal document. If the federal immigration agent enters nonpublic restricted locations in Sierra Basin Post Acute without consent, Sierra Basin Post Acute personnel or volunteers must document the agent's actions.
 - b. Sierra Basin Post Acute personnel or volunteers must promptly take written notes to document the federal immigration agent's actions while on Sierra Basin Post Acute premises in as much detail as possible but without interfering with the agent's movements.
 - c. The facility administrator will prepare an incident report regarding the event. The incident report will include:
 - i. Foundational information, including date, time, and location(s) of the event;
 - ii. Name of the federal immigration agent, and, if available, the agent's credentials and contact information;
 - iii. List of all Sierra Basin Post Acute personnel or volunteers who interacted with the federal immigration agent or witnessed the event;
 - iv. A summary describing the federal immigration agent's request, statements, and actions with as much detail as possible;
 - v. A narrative description of Sierra Basin Post Acute personnel or volunteer's response to the federal immigration agent's request;
 - vi. Detailed witness statements prepared by each Sierra Basin Post Acute employee who observed any portion of the event or interacted with the federal immigration agent in any way;
 - vii. Detailed witness statements prepared by any non-employee witnesses (e.g., volunteers, patients, visitors, etc.) who observed

- any portion of the event or interacted with the federal immigration agent in any way, if possible;
- viii. Photos or copies of any documents presented by the federal immigration agent;
 - ix. Any surveillance, bodycam, or other video, audio, or photographic evidence that may exist relating to the event; and
 - x. Any other evidence of the event collected by Sierra Basin Post Acute personnel.
- d. The facility administrator will timely submit a report to Sierra Basin Post Acute governing board.

V. RESPONDING TO REQUESTS FOR INFORMATION

1. Sierra Basin Post Acute personnel or volunteers will not provide federal immigration agents with any nonpublic information about an individual, including but not limited to, nonpublic information about an individual's medical condition(s), release, or any other personally identifiable information, unless required by law.
 - a. Nothing in this section prohibits Sierra Basin Post Acute or Sierra Basin Post Acute personnel or volunteers from:
 - i. Sending to or receiving from any federal, state, or local government entity or official, pursuant to 8 U.S.C. §§ 1373 and 1644, information regarding any individual's citizenship or immigration status, lawful or unlawful; or
 - ii. Executing their official duties or cooperating in criminal investigations with federal, state, tribal, or local law enforcement agencies (including criminal investigations conducted by federal immigration agents) in order to ensure public safety.
 - b. Sierra Basin Post Acute personnel or volunteers must consult with and receive direction from The facility administrator before determining whether disclosure of an individual's nonpublic information or personally identifiable information is permitted or required by law.
2. Upon receipt of an information request from a federal immigration agent, Sierra Basin Post Acute personnel or volunteers will ask the federal immigration agent to provide their badge or identification card to be scanned, photographed, or photocopied, the image of which will be maintained by the Sierra Basin Post Acute.
3. Sierra Basin Post Acute will establish and maintain policies for responding to information requests presented by federal immigration agents. Often

such requests are handled by Sierra Basin Post Acute privacy officer or medical records department to ensure that information is disclosed appropriately. If possible, Sierra Basin Post Acute should consult with competent legal counsel each time on such matter.

4. To respond to information requests presented by federal immigration agents, Sierra Basin Post Acute will develop and use a verification procedure to determine and document:
 - a. The specific agency the requester is from;
 - b. Whether the requester is properly exercising law enforcement power;
 - c. The specific types of protected health information the requester seeks; and
 - d. The reason the requester wants the information.
5. Sierra Basin Post Acute will develop procedures for handling information requests by telephone, such as requiring a call-back process through publicly listed agency phone numbers. Sierra Basin Post Acute personnel and volunteers receiving immigration inquiries and requests will first consult with and receive direction from The facility administrator to ensure that correct protocols are followed.
6. If Sierra Basin Post Acute is required to make a disclosure of patient information to federal immigration agents without the patient's authorization in compliance with a court order or judicial warrant, then Sierra Basin Post Acute will document the disclosure in compliance with facility policies and procedures. Such documentation should include information that supported the decision to disclose the patient's information. Disclosures to law enforcement are subject to the accounting-of-disclosures requirement under the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule.¹⁰
7. Sierra Basin Post Acute personnel and volunteers must never use an individual's personally identifiable information or citizenship or immigration status received through their employment in a personal capacity.

VI. MONITORING AND RECEIVING VISITORS INTO HEALTH CARE FACILITY

1. Sierra Basin Post Acute will establish policies for individuals who are not patients, employees or volunteers who may come to the facility for business

¹⁰ The HIPAA Privacy Rule sets a national floor for legal protections. Even when disclosure to law enforcement is *permitted* by the HIPAA Privacy Rule, the Rule does not *require* Sierra Basin Post Acute to disclose the information. Unless disclosure is required by some other law, Sierra Basin Post Acute will apply its own policies and principles to determine whether to disclose patient health care information.

or personal reasons (“visitor(s)”). Such policies will require all visitors, including federal immigration agents, who enter or remain on Sierra Basin Post Acute grounds to register with Sierra Basin Post Acute and provide the following information:

- a. Name, address, occupation;
 - b. Age, if less than 21 years;
 - c. Purpose in entering Sierra Basin Post Acute; and
 - d. Proof of identity.
2. Sierra Basin Post Acute will post signs at the entrances of the facility to notify visitors of the hours of operation and requirements for visitor registration.
 3. If the federal immigration agent declares that exigent circumstances exist and demands immediate access to the Sierra Basin Post Acute, Sierra Basin Post Acute personnel or volunteers should follow the policy steps detailed in section IV(4) of this policy.
 4. If there are no exigent circumstances necessitating immediate action, and if the federal immigration agent does not possess a judicial warrant or court order to provide a basis for the visit, the agent must provide the information required for all visitors.
 5. Sierra Basin Post Acute personnel or volunteer will report entry by federal immigration agent(s) to The facility administrator, as would be required for any unexpected or unscheduled visitor coming into the facility.

VII. NOTICE TO PATIENTS, REPRESENTATIVES, OR PARENTS

1. Sierra Basin Post Acute will develop and post its policies, in the languages commonly spoken in the local community, and make these policies accessible on the Sierra Basin Post Acute website.
2. Sierra Basin Post Acute will post signs at the entrances of the facility to notify visitors of the hours of operation and requirements for visitor registration.
3. Sierra Basin Post Acute will post signs indicating which areas of the Sierra Basin Post Acute are public, requiring visitor registration to enter, and which areas are nonpublic restricted locations, restricting access to authorized personnel or volunteers.
4. Sierra Basin Post Acute will establish and provide general information policies telling patients of their privacy rights.
5. Sierra Basin Post Acute will provide a comprehensive list of privacy protections, under both federal and state law.
6. Sierra Basin Post Acute will post information guides regarding patient

rights, including the right to remain silent. Although immigration

- enforcement activities at Sierra Basin Post Acute are limited, federal immigration agents may enter a public area of Sierra Basin Post Acute without a warrant or the facility's consent and may question any person present (with that person's consent).
7. Sierra Basin Post Acute will assure patients that it will not release personally identifying information to third parties in relation to immigration enforcement activities, except as required by law.
 8. Sierra Basin Post Acute personnel or volunteers must obtain consent from a minor patient's parent(s) or guardian(s) (provided the child is not legally regarded as their own personal representative of their medical records) before a minor patient can be interviewed or searched by any federal immigration agent in relation to immigration enforce activities at Sierra Basin Post Acute, unless the agent presents a valid judicial warrant or court order.
 9. Sierra Basin Post Acute personnel and volunteers will immediately notify the minor patient's parent(s) or guardian(s) if a federal immigration agent requests or gains access to a patient unless such access was provided in compliance with a judicial warrant or court order that restricts the disclosure of the information to the parent or guardian.
